TOM MCLEAN

COMMERCIAL MANAGER

Tom has over 15 years construction experience gained both in New Zealand and the United Kingdom. Tom started his career as a cadet and then a Contracts Manager with one of New Zealand's largest construction companies, before venturing to the UK where he worked as a package manager on large scale multi-disciplined tier 1 JV projects such as Crossrail station new builds. Tom is extremely competent with understanding contract deliverables, formulating package programmes, design review, buildability and driving projects to programme and budget. He excels in stakeholder, sub-contractor and team management in complex projects, which make him an exceptional Commercial Manager and valued member of the Novasteel team.

RESPONSIBILITIES

As Commercial Manager, Tom is responsible for the overall financial management of the project, with support from the balance of the team. Tom manages key relationships with consultants, clients and site based construction teams. He will work closely with the client team to ensure the timely and efficient delivery of a high quality project, that is able to be celebrated by all involved.
